

COCKTAIL COLLECTION 1926

A Spirited Walk through Thessaloniki

This is no mere history book.

It's a cocktail menu—a journey through time.

Each drink is a postcard from the past, a fleeting glimpse
into the soul of Thessaloniki.

We've shifted through the dust of history, captured the
city's glamour and grit, and stirred them into a glass.

Every page offers a snapshot of this vibrant city: its bustling
streets, the pulse of its markets, the harmony between
chaos and charm. A drawing. A year. A story. A drink.

In 1926, Olympos Naoussa Restaurant opened its doors,
marking the beginning of a legacy that has stood the test
of time. To honor this, we invite you to explore Thessaloniki
through the lens of history—through old sketches and
forgotten moments.

You're not just sipping a cocktail.

You're walking through time, tasting the past, and
experiencing a city that never stops evolving

Enjoy!
